CATERING SERVICES

OUR TERMS AND CONDITIONS

For catered events requiring a chef on-site at your venue for the duration of the meal, a minimum spend of £500 on food and beverages applies (not including waiting staff hours).

For delivery-only catering, a minimum spend of £400 on food and beverages is required.

Please note that a delivery fee will be charged, calculated according to the distance between your venue and our restaurant.

For collections directly from our restaurant, no minimum spend applies.

We are pleased to arrange professional waiting staff to ensure you can relax and fully enjoy your evening. Our team will take care of table setup, food and beverage service, and clearing throughout the event.

The charge for waiting staff is £45 per staff member, per hour. The number of staff required will depend on the size of your party. A minimum booking of two hours applies. Please note that a mileage fee will be charged for each staff member.

We ask for a deposit of £100 on the booking of the catering. This will be deducted from the final invoice. We will send you an invoice the week before the event and we ask for payment to be made before the day of the catering. Please note that in the event of cancellation after payment has been made, no refund will be possible.

THE CIDER BARN

CATERING SERVICES

OUR TERMS AND CONDITIONS

We are asking for all final details confirmed for your catering two weeks at the very latest before the event. This includes, serving time, exact menu, if anyone has allergies or dietary requirements and the style of serving.

We are happy to accommodate most allergies and dietary requirements. Once you have selected your menu, our team will carefully adapt the chosen dishes to ensure they are suitable for guests with specific dietary needs or allergies. We kindly ask that all requirements are provided at least one month in advance of your event, allowing us to make the necessary arrangements and ensure everyone can enjoy their meal safely and comfortably.

Our menus are thoughtfully designed to offer one carefully chosen option for each course. If you'd like to give your guests a choice of dishes, we're very happy to accommodate this for a small additional charge. Offering a choice of starters or desserts is £2.50 per person per course, while a choice of main courses is £10.00 per person. This helps us ensure the same high quality and smooth service when preparing multiple options for your event.
