

YOUR WEDDING AT THE CIDER BARN

We don't believe in offering packages as each couple has a unique vision of their special day, so we create bespoke events.

Our event manager will help you and direct you in your planning to bring your vision to life.

About Us

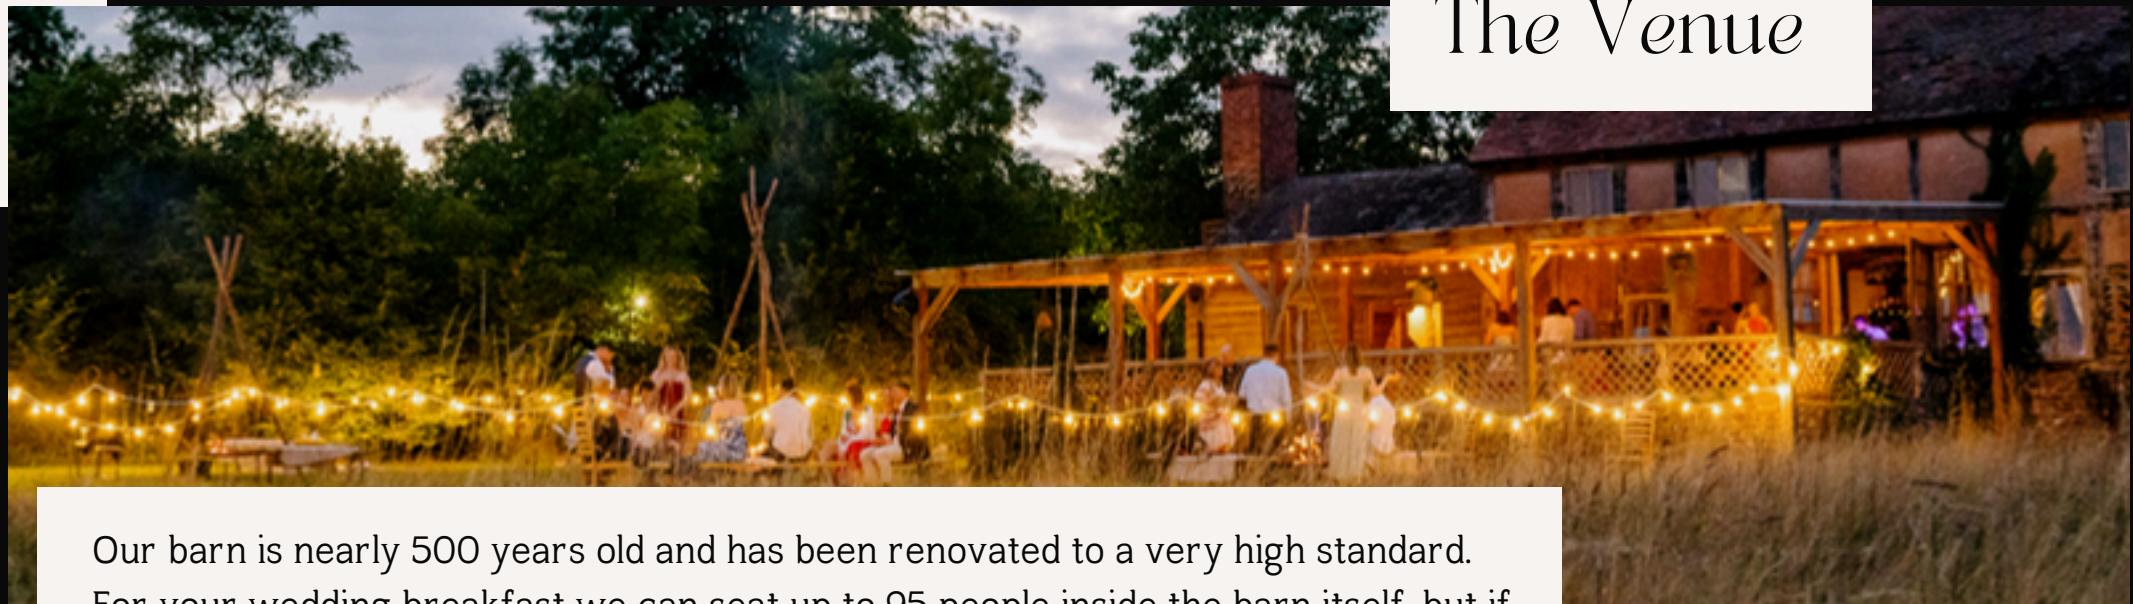

The Cider Barn is a superb timber frame barn set in the heart of North Herefordshire just outside the village of Pembridge.

The view from the barn is of beautiful untouched countryside creating the perfect backdrop for a wedding.

We are a restaurant and venue and we try to reflect the simplicity and beauty of the Herefordshire countryside in all that we do.

The Venue

Our barn is nearly 500 years old and has been renovated to a very high standard. For your wedding breakfast we can seat up to 95 people inside the barn itself, but if we use our covered terrace area we can then accommodate 130 people.

You have the freedom to style and decorate your tables to reflect your unique vision—whether it's with fairy lights, bunting, or your own personal touches. To help bring your dream day to life, you'll have access to the barn up to 48 hours before your wedding, giving you plenty of time to make the space truly your own.

Create a beautifully relaxed wedding atmosphere by transforming our picturesque field into a rustic haven, with straw bale seating for your guests and glowing fire pits to keep the celebration warm and magical well into the evening.

The terrace offers the perfect setting for welcoming your guests and mingling in style. It's also an ideal spot for a live band, setting the scene for unforgettable moments.

The Ceremony

To make your day perfect why not get married here in many of our licenced area.

Our outside spaces create a natural vibe for your exchange of vows.

Have your ceremony in full open air or you can add an awning from one of our favourite suppliers.

With its boho charm and warm glow from festoon lighting, our Cider Press room creates a beautifully atmospheric setting for your ceremony.

This characterful indoor space offers a perfect alternative to the outdoors, blending rustic elegance with intimate charm. Fully licensed for civil ceremonies, it's ideal for saying "I do" in a truly unique setting.

The Food

As The Cider Barn is a restaurant food is the most important thing for us.

Everything we have to offer is sourced locally – much time has been spent sourcing growers and suppliers from our county with exciting things to offer. We use this produce as the inspiration for our menus, creating imaginative and exciting dishes.

Whatever the season our Head Chef will create a personalised menu to suit your requirements, from a three course plated traditional menu to a banquet style feast at the table, or even a BBQ. Our prices for your wedding breakfast start at £50 per person.
(Note this maybe subject to changes)

We've carefully curated a bespoke drinks selection to complement your special day, ensuring every moment is celebrated in style.

From elegant welcome drinks and sparkling toasts to handpicked wines for your wedding breakfast, we've got everything covered. Our fully stocked bar is at your service, and for a personal touch, you're welcome to customise our cocktail board with your own signature creations.
